Abu Dhabi Real Estate Market

Abu Dhabi's real estate market has seen marginal declines in both sales prices and rent in the past few months. According to real estate service company Asteco, rental prices for apartments and villas have declined by 2 percent and 3 percent, respectively, compared to Q4 of 2019 and 4 percent and 5 percent compared to the same period last year. In addition, as reported in our sister publication Arabian Business, research from Chestertons showed that average apartment sales prices declined ...

Abu Dhabi property prices and rent have dropped in 2020 ...

The performance of Abu Dhabi's real estate market remained subdued in Q1 2019. In the office sector, reduced business growth and corporate restructuring placed downward pressure on rents.

Access Free Abu Dhabi Real Estate Market Overview JII

This in turn impacted demand for residential space which saw both average rents and sale prices decline. The retail market continued to face challenges from a slowdown in retail spending and the rise of e-commerce.
