How to Change the resolution on a HP Mini 1000 to 1024x768 ...

Most of the 10 inch netbooks available right now on the market ship with a standard resolution of 1024 x 600 px. Only in the last months we've started to see more HD 10 inch display, with the higher 1366 x 768 px res. I for one like the lower res on my Toshiba and wouldn't trade it for the HD one in a million years.
