The LTL 9000 offered a wide selection of engine, transmission and rear axle options at an attractive price, and it was more affordable for owner-drivers than offerings from Kenworth and Mack at time. The longer bonnet and forward-set front axle allowed room for larger engines and was a mechanic's dream, as there was easy access for routine servicing under the bonnet.

Parts for Ford LTL9000 for sale | eBay

The Ford LTL9000 is a heavy 6x4 road hauler. It is pretty good on trails, also pretty good on roads. It's a great all-rounder vehicle. Its performance is similar to that of the Chevrolet Bison, both being 6x4 trucks that do well in most things. The Ford is heavier than the Chevy though, as its advised not to take it into the water. This does make for better traction than the Bison, though
