Roger Clarke has a personal history with ghosts, and this book is a wonderfully entertaining examination of all aspects of supernatural encounters, focusing on England as having “more ghosts per square mile than any other country in the world.”. His opening anecdote about a childhood house with a sensed presence on the upper landing (“there

Roger Clarke's 'A Natural History of Ghosts: 500 Years of Hunting for Proof' is a charming and splendid book that I think belongs on any good bookcase or shelf. In a 2012 review for the book , Michael Newton wrote that Clarke 'conveys the cosy plenitude of British eccentricity that lies close to the local
