Kenmore toaster ovens ensure an even heat dispersion for great browning results.

Smaller and quicker than traditional ovens, a toaster oven is great for both a slice of pizza and tender meat. For those that value speed, but hate the uneven cooking of a microwave, a toaster oven will be a favorite among your kitchen

Found it by opening up the cabinet, removing the display panel (1 screw and a couple of plugs) and testing all three micro switched with a meter. Two switches are for the door and one for some kind of ventilation flap. They are all in the same area. Go to YouTube to see how to test and replace these switches. This model
