\* Manual transmissions typically offer better fuel economy than automatics. Increased fuel economy with a properly operated manual transmission vehicle versus an equivalent automatic transmission vehicle can range from 5 % to about 15 % depending on driving conditions and style of driving -- extra urban or urban

## **Transmission: Which is Best?**

Well, I checked, and there hasn't been a "manual vs automatic transmission" thread title here on this forum for a couple of years. So I thought I would start one to have members discuss their thoughts on the matter, especially in light of recent cars like the 991 GT3/Turbo and all the recent hypercars (LaFerrari,
