Hazard pictograms alert us to the presence of a hazardous chemical. The pictograms help us to know that the chemicals we are using might cause harm to people or the environment. The CLP hazard pictograms are very similar to those used in the old labelling system and appear in the shape of a diamond with a distinctive red border and white background.

Mandatory signs, or Blue safety signs as they are often commonly known, are recognisable by a white pictogram surrounded by a blue background. These signs are to inform employees and visitors that actions must be taken to remain safe, this can include the need to utilise Personal Protective Equipment (PPE) or taking precautions to keep you safe in a potentially dangerous environment.
