Prof. David M. Oshinsky's book Polio: An American Story Description: The 2006 winner of the Pulitzer Prize for History, this book outlines in great detail the large polio outbreaks and the successful vaccine research in the United States of the 1940s and 50s.

Polio - Our World in Data

In May 1949, after an outbreak in San Angelo, Texas (my father remembers this), the city council voted (voted!) to close all indoor meeting places for one week, according to the wonderful book Polio: An American Story by David M. Oshinsky, with a promised ending period.

No Lockdowns: The Terrifying Polio Pandemic of 1949-52 - AIER

On April 12, 1955, every American newspaper and TV set jubilantly announced that Jonas Salk's polio vaccine was a success. Just three years earlier, during the worst polio outbreak in U.S ...

How the Polio Vaccine Faced Distribution Shortages and ...

The history of polio (poliomyelitis) infections began during prehistory.Although major polio epidemics were unknown before the 20th century, the disease has caused paralysis and death for much of human history. Over millennia, polio survived quietly as an endemic pathogen until the 1900s when major epidemics began to occur in Europe. Soon after, widespread epidemics appeared in the United States.

History of polio - Wikipedia

"Polio: An American Story is a comprehensive and succinct detailing of a disease that caused public panic and a national mobilization of all arenas to research and find a solution to this menace.[This book] serves as a blueprint for confronting future public health challenges and a reminder of the success that can be achieved when all efforts are mobilized to work toward a solution from a ...
