A Preponderance of Power: National Security, the Truman ...

A tremendous work of scholarship that just needed better editing and a different organization. The main argument is that the overall US grand strategy from 45-53 was to consolidate and preserve a preponderance of American power that would hamstring Soviet efforts to expand their influence, ensure the recovery of key allies, and eventually get the Soviets to change their goals and behavior.

A PREPONDERANCE OF POWER: National Security, the Truman Administration, and the Cold War User Review - Kirkus. Massive, brilliant post-glasnost analysis of early cold-war realities by Leffler (History/Univ. of Virginia). This study of how Truman dealt with a world sealed off to him by FDR is a book and a half ... Read full review

A Preponderance of Power: National Security, the Truman ...

This massive distillation of the perceptions and policy prescriptions of the national security establishment of the Truman years can be seen as a scholar's elaboration of Dean Acheson's concept of "the Creation." It is policy history based on years of exhaustive research in government archives and private papers, but not diplomatic history because no non-American primary sources are used.
